

# Love of Learning Montessori School

## Snack Report Assignments

For the day indicated: (your child has this date), please have your child bring in a nutritious snack for 20 children. Remember, it's a snack, not a meal. One box of crackers with some fruit, veggies or cheese should be sufficient. *NO HIGH SUGAR ITEMS PLEASE!* On the day they bring in snack they will also be responsible for having a report, as specified below, to be shared with the class.

In our previous lesson on flags, we learned that each country has a flag that contains special symbols which represents them. For your report, we would like you to research a country and include the following information in your reports:

1. Draw and color a picture of the country's flag.
2. Explain what the symbols on the flag represent.
3. Give three to six additional facts about your chosen country.

### **First Grade - 3 to 4 facts**

### **Second Grade – 5 to 6 facts**

To assure that a variety of countries are being covered, please check with your teacher to confirm your choice of a country to research.
